Regulatory Requirements Comparison.docx

Hi Greg,

Attached is the comparison table I mentioned. I believe it answers the questions about the FIP and Utah regs, but if you need anything else, let me know.

Thanks,

Dee

Hi Greg,

Thanks for the feedback. We have a similar table already prepared. I am just heading into a meeting, but I will take a look at the table to be sure it answers all of Steve's questions and then send it to you later this morning.

Take care,

Dee

Thanks Dee

After our senior staff meeting this morning, Steve, Mike, Peter and I had a discussion regarding the FIP. Steve still has some concerns that you don't go beyond what Utah has done for existing sources and has asked if you would prepare him a table that shows what the FIP requires, what Utah requires, and a third column that shows whether the FIP requirement is more, the same, or less stringent than the Utah rules?

Hi Greg,

As we chatted about this morning, attached are Debbie's comments. Including Chris as an FYI as well.

Thanks,

Dee

Hi - As I discussed with Carl, I'm sending along some line-edits as well as a few questions and suggestions.

I'll give you a call tomorrow, Carl, and let you know what I learn about the OAQPS review thus far.

Debbie
